SPIRIT OF TENTERDEN 2021 RECEIVES CASH BOOST FROM WAITROSE

Although Covid-19 has forced the cancellation of this year's Spirit of Tenterden family festival, the organisers planning ahead for 2021 received a welcome boost this week with a donation of £333 from Waitrose's 'Community Matters' green token scheme.

A spokesman for Spirit said: "That's great news, and reinforces our mission to make the 2021 festival better than ever."

The Recreation Ground has already been booked from Friday, 2- Sunday, 4 July, 2021, and organisers are in touch with all those who were planning to take part this year, including marquee companies, more than 30 bands and 26 stallholders.
