

# Festival Volunteers Wanted

Spirit of Tenterden Festival 2–4 July 2027, Tenterden Recreation Ground

**Come and help us... help the festival... and maybe even make a new friend**

The Spirit of Tenterden Festival is a popular community event - created by volunteers, for the whole community. We'd love you to be part of it.

## Why Volunteer?

Being a steward is a brilliant way of getting involved, meeting people, and experiencing the festival from the inside.

- ✓ Be part of something special in Tenterden
- ✓ Meet new people and make lasting connections
- ✓ Enjoy the festival atmosphere while helping it run smoothly
- ✓ Support a not-for-profit, community-led event
- ✓ Gain useful experience

## What Do Stewards Do?

Don't worry - it's not complicated, and you'll never be on your own. Typical roles include:

- Welcoming visitors and providing information
- Helping people find activities, stages, and facilities
- Keeping an eye on the festival site and general flow
- Supporting event safety and reporting any concerns
- Being a friendly face!

## When Do We Need You?

We're looking for volunteers across the whole festival: Friday 2 July (2pm – 10pm), Saturday 3 July (10am – 10pm), and Sunday 4 July (11am – 5pm). And also during set-up from Wednesday 30 June. You can volunteer for a single shift or the whole festival. Shifts are normally a minimum of 3 hours and a maximum of 8 - whatever suits you.

## What You'll Get

- A full briefing and support from our friendly team
- Breaks during your shift in the rest area
- Free drinks & snacks, and discount on hot food
- A great team experience

## Who Can Volunteer?

- Anyone aged 16+ (under 18s with consent)
- Friendly, reliable, and happy to help
- No previous experience needed
