The Spirit of Tenterden Festival is a family food, drink and music festival for the people of Tenterden & St Michael's, celebrating all that is great about the town.

We're building on the success of the first Spirit of Tenterden event in 2019, which attracted more than 3,000 people over three days. Covid forced cancellation in 2020, but the organisers managed to stage a small one-day event in July 2021 focussing on local bands and food, with more than 1,000 people attending.

Now we're planning our 2022 Spirit of Tenterden Festival, a bigger and better festival this year on Tenterden Recreation Ground with a predicted attendance of up to 5,000 – and you can be involved.

This year's festival will be held from Friday 1st to Sunday, 3rd July, a true community festival featuring the best in local music, food, drink and entertainment for all the family. Here's how you can be involved.....
